Illinois Compiled Statutes (ILCS)

Updating the database of the Illinois Compiled Statutes (ILCS) is an ongoing process. Recent laws may not yet be included in the ILCS database, but they are found on this site as [Public Acts](#) soon after they become law. For information concerning the relationship between statutes and Public Acts, refer to the [Guide](#).

Because the statute database is maintained primarily for legislative drafting purposes, statutory changes are sometimes included in the statute database before they take effect. If the source note at the end of a Section of the statutes includes a Public Act that has not yet taken effect, the version of the law that is currently in effect may have already been removed from the database and you should refer to that Public Act to see the changes made to the current law.

Within 3 business days of receiving such order, warrant, or subpoena, the Secretary shall send a notification to the person to whom such information was requested that a court order, warrant, or subpoena was received and the identity of the entity that presented the court order, warrant, or subpoena.

(h) The Secretary shall not enter into or maintain any agreement regarding the sale of highly restricted personal information or personally identifying information as described in subsection (d) unless all other parties to such agreement certify that the information obtained will not be used for civil immigration purposes or knowingly disclosed to any third party for any purpose related to civil immigration enforcement.
